

Dmitrii Naumov

Junior developer

✉ dimnau@gmail.com

☎ +7 (981) 892 84 55

📍 St. Petersburg, Russia

github.com/naumovdk

WORK EXPERIENCE

Junior backend, Webim

Aug 2019 - Oct 2019 ⌚ 2 months

Migrated project to Python 3

- Resolved dependency conflicts
- Found alternatives for deprecated libraries
- Implemented authentication through third-party services (OAuth, SMS)

SKILLS

Python: Django, numpy, pandas, sklearn, PyTorch

Java: Spring, collections, concurrency

Algorithms and data structures sorting algorithms, basic data structures, trees, graph algorithms, cryptography

Machine Learning basic algorithms (GD, SVM, DT, etc.), neural networks

Also worked with **C++, Haskell, Kotlin, Javascript, Bash, SQL, Android, git**

EDUCATION

Third year, Computer technologies, ITMO

Sep 2018 - Jul 2022

ABOUT

Studying algorithms and mathematics in depth

Interests: graph algorithms, recommender systems, static analysis

LANGUAGES

English (Upper Intermediate)

Russian (Native)
